

How does multiple choice scoring work in Pathway?

Multiple choice grades in Pathway can be confusing. This article explains how Pathway calculates those scores.

Multiple Choice questions with multiple correct answers

The way the system grades multiple choice/multiple answer questions is as follows.

+1 for every correct answer

-1 for every incorrect or missing answer

So if a question has 3 possible points and you mark 2 correct answers and 1 incorrect answer, your score will be 1.
