There will be three forms of exemption

Distance Exception

Students who reside in other countries can apply for an exemption if they are unable to afford the trip.

Hardship Compassion

Students whose financial circumstances prohibit them from being able to attend will also be able to apply for an exemption.

Transfer Modification

Students who transfer in a large percentage of their credits (or current students who have already completed a large percentage of their required credits) may also apply for an exemption or a reduction.

You can apply for an exemption here: [CBTS Modular Course Exemption Request](#).

The form can also be found on the [student resource page](#) in Pathway.
