

# What is expected of my proctor?

Quite simply, all the proctor is expected to do is ensure that you are taking the quiz or test without any outside help.

They do this by clicking the confirmation button in the email they received with the password.

If the confirmation does not go through, have them send an email to [course.info@cbtseminary.org](mailto:course.info@cbtseminary.org) within a day of your completing the quiz/test with a statement to this effect:

*"I confirm that [student's name] has taken [class code & quiz/test number] without the use of a Bible, books, notes, or any other aids. Sincerely, [proctor's name]"*
