Does CBTS provide proof of registration?

If you need proof that you are a registered student at CBTS, please [fill this form](#) and we'll gladly provide that for you.

Where can I find CBTS style guides, rubrics, and templates?

CBTS style guides and templates can be found on the [Writing Resources and Policies page in Pathway](#).

We have developed two grading rubrics, one for term papers and similar papers, and one for book reviews and article interactions etc.

We want students to know how their papers will be graded so they have a better idea of what we are looking for.
